INTRO FROM SERIES ONE

"There is a fifth dimension beyond that which is known to man. It is a dimension as vast as space and as timeless as infinity. It is the middle ground between light and shadow, between science and superstition, and it lies between the pit of man's fears and the summit of his knowledge. This is the dimension of imagination. It is an area which we call... The Twilight Zone!" - Rod Serling

INTRO FROM SERIES TWO

"You're travelling through another dimension. A dimension, not only of sign and sound, but of mind. A journey into a wondrous land whose boundaries are that of imagination. Next stop, The Twilight Zone." - Rod Serling

FROM LONG LIVE WALTER JAMESON

"It's death that gives this world its point. We love a rose because it will soon be gone. Who ever loved a stone?"
